Number 47.

SUPPORTERS OF UNION ORGANIZE

A Large Meeting Held in
Crowe's Hall -- Officers
Elected and Town Divided
Into Three Wards for the
Campaign.

One of the most representative and at the same time most enthusiastic meetings ever held in Redcliff, took place in Redcliff hall, Friday evening, for the purpose of discussing the advisability of organizing an union movement in support of the Union Government.

E. S. Hodge was voted to the chair and immediately after he had explained the objects of the gathering it was unanimously decided to proceed at once with the organization.

The election of officers for the new association was then proceeded with and resulted as follows:

President--B. J. Batt.

Vice-President--Wm. Riddell.

Secretary--Ed. L. Stewart.

Treasurer--Wm. Henderson, Sr.

Executive Committee--Messrs. A. J. Leamouth, D. McLachlan, D. Kerr, P. Laville, J. Jardine, J. Devitt, W. H. Hatcher, R. Everett and R. S. Hodge.

It was pointed out that there would be no other meeting in the riding it was decided to proceed with a complete organization for the whole town. The town was then divided into districts for the purpose, in the following manner:

District A will comprise all that part east of Second St. and north of Fifth Ave.

District B will comprise all that part east of Second St. and north of Fifth Ave.

District C will comprise all that part east of Second St. and north of Fifth Ave.

The executive will then allot the different wards as follows:

A--P. Laville, R. S. Hodge and R. S. Hodge.

B--W. H. Hatcher, J. Devitt and J. Jardine.

C--D. Machan, A. Leamouth and D. Kerr.

The first named in each case to be chairman.

Each sub-committee then met and added the following names to their ward committees:

A--Messrs. Hamilton and Mrs. Hodge.

B--Messrs. Fairbank and M. Moffatt.

C--Messrs. Fairbank and Mrs. Layville.

C--J. Rutherford and W. Gray.

Messrs. J. Devitt and W. Gray were then chosen as travelling delegates.

Short addresses were given by a number of those present, outlining the circumstances what led up to the present situation and the great necessity of the uniting of all forces in Canada in order that the country might play its part to the best possible advantage in the great struggle in which the Empire is now engaged.

The necessity of getting wholeheartedly into the contest and getting out the vote for the Unionist movement was impressed on those present by the speakers, and they were strongly urged not to allow their confidence in the success of their cause to dampen their energies in piling up the vote.

The following resolution was proposed by B. J. Batt and seconded by W. H. Hatcher:

"Whereas the winning of the war is of first importance to us as Canadian citizens and

Whereas, the Union Government now formed under the leadership of Sir Robert L. Borden has made the business of the Dominion with dispatch, as party maneuvering will be eliminated.

Therefore, be it resolved that we heartily endorse the Union Government and pledge our support to the A. L. Sifton as our representative in the forthcoming election.

The resolution was carried unanimously.

It was then moved by R. S. Hodge and seconded by B. J. Batt:

"Whereas, in the formation of the new federal constituency of Medicine Hat we are losing an old friend in the person of Mr. W. A. Buchanan, who has only and accurately represented us in the past five years.

Therefore, be it resolved that we express our confidence in his return to public service and wish him every success in the new constituency.

which we hope he will represent as a supporter of the Union Government."

This resolution was passed unanimously by a standing vote, after which the National Anthem was sung and a successful meeting brought to a close.

Son of Rev. Gordon

Does His Bit

We clip the following from the Spokane paper. Murray Gordon, the young man referred to, is the son of Rev. and Mrs. G. L. Gordon of this town.

Unable to go to war himself, Murray Gordon has done the next best thing. He has paid the expenses of another likely recruit to Vancouver, B.C., where he stands a good chance of being accepted for the Canadian army. Gordon is an engineer now residing in Spokane.

At the beginning of the war he was in British Columbia working for Foley Welch & Stewart and tried to join the Canadian expedition at Vancouver in 1915, but was rejected. Recently in Spokane he applied at the office of the British and Canadian recruiting mission and was again rejected because he was again rejected because of a weak heart.

At the last presented himself for enlistment but Mr. Parker, a bridge foreman, who wanted to enlist in the Canadian expeditionary force. Parker has lost two brothers with the Canadians at the front and is actuated largely by a desire to avenge the death of his kin. Captain D. A. J. Leach, medical officer here, was obliged to reject him for some minor defect that prevents his enlistment in the expeditionary force.

Lieutenant J. H. Mitchell, commanding, suggested that Parker could probably join some other arm of the service and he will be ordered to do this, but has no transportation. Gordon provided the means. He was presented himself for enlistment yesterday and eight were accepted for service. All but one joined the Canadian expeditionary force, and he enlisted in the British mechanical service.

Postpond Sale

Till December 14th

The sale held last Friday and Saturday did not attract as large a crowd as was expected, and as a result very few lots were sold. The lot was given through but some parcels were taken off the market. The sale was adjourned till Dec. 14th, when the lot will be again offered. The sale will be held at Crowe's on the above date, and will commence at 10 o'clock a.m.

ADDITIONAL LOCALS

Storm proof Utensils, big and roomy; latest styles, at the Hicks Trading Co.

Mrs. Mansfield is spending a few days in town, the guest of Mrs. C. V. Gibson.

C. H. Kohler, of Minneapolis, arrived in town today and will spend a few days here on business.

The foundry at the old ornamental works started operations last Saturday and turned out a number of moulds.

Victory Loan Pictures will be shown at the Empress theatre on Saturday night of this week. All interested should make it a point to see them.

Coming. The most thrilling story of Christian history. Capt. H. A. Pearson, for two years in charge of Y. M. C. A. work in the Canadian army in France, will deliver an address in the Amuse-U theatre on Dec. 6th.

Quite a number of people from here attended the political meeting in Medicine Hat last Monday evening, when Hon. A. L. Sifton, Hon. C. R. Mitchell and T. M. Tweedie addressed the meeting. They were delighted with the money given by the men and are now more staunch supporters of union government than ever.

One day last week a little boy found a dollar bill on the street. Just as he picked it up, a man (7) came along and took the money from the boy's pocket. It is his pocket and walked off, but so far nothing further has been heard of the money. A nice example for a grown up to set for a little boy.

Chautauqua Plays

To Crowded Houses

All fears as to the success of Redcliff's first attempt at holding a three day's Chautauqua faded away with the opening entertainment last Tuesday afternoon. On that occasion the Amateur theatre was packed to the doors and as the program proceeded it was easily seen the audience felt that they were going to get their money's worth. The Ladies' Festival Orchestra opened the engagement with excellent music and was followed by a most interesting address by Walter E. Stern on "The Far Country." The concert given in the evening by the Ladies Orchestra was in the opinion of many, the greatest musical treat ever given in Redcliff.

On Wednesday afternoon Leif M. Blomfield gave a most interesting and very instructive address on "New Canada." In the evening Julius Caesar Naypge gave a costume lecture, "The Origin of Great Britain." His lecture was full of interesting incidents and it was well worth the price of admission.

Hawaiian musicians opened the program on Thursday afternoon and were followed by a lecture on "The Reign of the Common People" by H. H. Hindley. This was one of the best lectures of the series. It is unfortunate he could not have given it at one of the evening performances, for more of our male population would have heard it. This evening the Hawaiian band on the whole program they will give two performances. At all performances the theatre has been filled to the doors.

Union Association

Secures Quarters

The newly organized association in support of the union government and its candidate in this constituency, has already a committee, - one which will be used as headquarters until after the election. Crowe's hall, Broadway, has been secured for this purpose and will be opened up for business next Monday evening. All interested are invited to visit there on Friday (this) and a special invitation is extended to farmers from the surrounding district to make this hall their headquarters while in town. Any information you may wish concerning the election or any you may be able to give the committee will be cordially given and received by those in charge of the rooms.

Hun Atrocities Are

Brought Nearer Home

B. K. Kleason, of Calgary, is now employed as baker in C. G. Pearson's bakery here. Mr. Kleason is a Belgian, but has been in this country for 17 years. He has had his share of trouble over his terrible war and the experiences of those near and dear to him in their native land but serve as another proof of Germany's horrible atrocities on the people of Belgium. Mr. Kleason's daughter was taken by the Germans some time ago, and has not been heard from since. His grandfather, an old man past his three-score years was shot in the field blood by German soldiers, and his son has given his life for his country.

Cannot Use Grain

To Make Liquor

The Canada Gazette contains the following in a special number:

On and after the first day of December, 1917, and until the Governor General in Council has by order declared that the present abnormal conditions have ceased, no grain of any kind and no substance that can be used for food shall be used in Canada for the distillation of potable liquors.

2. Any person violating the above regulation shall be guilty of offence and shall be liable on summary conviction to a fine not exceeding five thousand dollars, or to imprisonment for a term not exceeding six months, or to both fine and imprisonment.

It was estimated at midnight, Saturday, that the \$100,000,000 loan has been passed in the Victory Loan campaign. At Dominion headquarters in Ottawa it was estimated that a total of \$265,343, but unreported subscriptions would bring the actual figure for the first time well in advance of the century mark.

Three Candidates

Nominated for

Medicine Hat

Nomination day to select candidates for all the constituencies throughout Canada for the approaching general election was held last Monday.

So far as the constituency of which Redcliff forms a part is concerned, there were three candidates nominated. Hon. A. L. Sifton was nominated as the supporter of Union government. Lieut. Clifford Reilly, of Calgary, as the Laurier-Liberal, and George Paton, of Delburne, as Socialist.

Hon. A. L. Sifton, the Unionist candidate, is now a member of the Unionist Government with the portfolio of Minister of Customs. He has been in the line in this province for a number of years, and while his premier was overwhelmingly supported by the people in two general elections. He is no straggler among the voters of this constituency and should be returned as our member by a large majority.

Prairie Fires Cause

Some Excitement

Prairie fires caused considerable excitement in town last Monday and Tuesday. There were three of them and it is exceedingly fortunate that all happened in the day time. Otherwise the loss of life and property would have been very serious, as a high wind was blowing both days.

On Monday a fire started on the prairie near the Overland Greenhouses and spread so rapidly that it was dangerously near the dwelling houses near the rolling mills before getting it under control.

On Tuesday morning the shunting engine started another one just east of the glass plant. This, too, was rapidly fanned outward by a strong wind and only by accident missed a few small buildings in its path.

The third fire started in some mysterious way near the rolling mills and also made some headway before it was extinguished.

All three fires occurred at a time most convenient for the school boys and they did good work in helping to fight the fires.

Export of Foodstuffs

Is Now Prohibited

An order-in-council has been passed prohibiting the export from Canada to all destinations abroad, other than the United Kingdom, British possessions and protectorates, of foodstuffs, feeding stuffs, fats, oils, soaps, fertilizers, etc., except that license may be issued under regulations drafted by the food controller and approved by the governor-in-council, "to countries in alliance with the British Empire and having armies in the European field."

In the case of exports to the United States, the collector of customs at the point of exit may grant licenses for milk or fresh fish in usual quantities and for shipments of food grains of less than 100 pounds, four of less than 25 barrels, butter of less than 125 pounds and for other shipments which do not contain an amount of any one commodity exceeding \$100 in value.

British Capture

City of Jaffa

The city of Jaffa on the Mediterranean was taken by the British troops in Palestine. The Turks, who were generally active in the withdrawal northward, offered no opposition. The text of the announcement reads:

"Yesterday Jaffa was occupied by Australian and New Zealand mounted troops without opposition. The enemy fled, and to the British afterwards they gave remarks to many complimentary expressions about the signs of activity on all sides. They were greatly surprised to find so young a town as Jaffa so prosperous and healthy considering its position and were in predicting a great future for this unostentatious burg."

Political Meetings

For This District

There will be a meeting held in the (Breen) school on Friday afternoon at 3:30, and at 8:00 on Saturday evening at 8 for the purpose of discussing the political issues of the day and organizing the respective districts for the approaching election.

At all of these meetings there will be speakers present from outside points to address the electors. After invited to attend, and a special invitation, is extended to the ladies.

Two More Redcliff

Soldiers Return

His many friends in Redcliff were glad to welcome back to our midst a decorated soldier in the person of Mr. A. B. Clegg. His appearance on our streets on Wednesday morning was greeted with surprise to all who knew him, as no one expected him or knew anything about his returning.

Mr. Clegg, who had been practicing law in Seattle, was on a visit to his old home in Scotland the latter part of July, 1914. When he was in military service was declared and immediately on his arrival in Scotland he was inducted into service. In due season he was sent with his regiment to the Dardanelles, where he served for several months and experienced all the hardships of that campaign. He was invalided home, suffering from the after effects of fever and he was so weakened by his illness that he has since been discharged as unfit for further service.

Mr. Clegg intends remaining here and resuming his law practice in this town.

Another Redcliff boy to return this week was Pte. D. J. Williams. He has been invalided home and is still under the doctor's care. Mrs. Williams and child have been in England for the past two years. They returned to Canada with him.

Ratepayers' Meeting

On Monday Next

The annual ratepayers' meeting will be held in the Empress theatre next Monday evening at 8 o'clock. At this meeting the mayor and councillors will review the work of the town for the last past year and the ratepayers will be given an opportunity of public interest will be discussed. The members of the school board will also join with the council in holding their general meeting and give an account of their stewardship.

The financial statements for both the school and school district appear in this issue. Ratepayers should look these over carefully and acquaint themselves with conditions, so as to be in a position to discuss questions calmly before the meeting if they so desire.

C. B. Reilly Will

Oppose A. L. Sifton

Lieut. Clifford B. Reilly, of Calgary, was chosen by Laurier Liberals of Medicine Hat constituency as their candidate to oppose Hon. A. L. Sifton in the forthcoming election. At their convention held in Medicine Hat on Saturday afternoon last, Elmore Sparks, of Acadia Valley, and E. E. Sparks, of Jansen, both farmers, were named as opponents, but the latter withdrew and the former got only 23 of the 72 votes cast by the delegates. Mr. Hallinan made the nomination unanimous. Rural delegates came determined to nominate farmers, but the party managers got busy before the convention opened and during the 10-minute intermission before nomination managed to win votes to Reilly, who they elected to be Laurier Liberal candidate. Mr. Reilly accepted the nomination.

There was a lot of time during the first part of the convention, and when it was seen that there was considerable opposition to the stand taken by those who elected to be Laurier Liberal, all objections were ordered out of the hall and the meeting proceeded with the above result.

BROWNLEE-LAMONT

At the residence of Mr. John Brownlee on Saturday evening, Nov. 17th, a quiet wedding was solemnized when Mr. H. Brownlee and Miss Lamont were united in holy matrimony to Miss H. Brownlee, daughter of Mr. H. Brownlee. The Rev. J. W. Morrow performed the ceremony--Medicine Hat News.

OPENING OF

NEW CHURCH

GREAT SUCCESS

Large Crowds Attend Opening Services of New Baptist Church--Building is Now Almost Clear of Debt.

Last Sunday, Nov. 11th, will long be remembered by the members and adherents of the Baptist congregation of this town for the successful opening and dedication of the First Baptist church to be built here.

In the morning the Presbytery of the Church and Church of the Presbytery called off their service so that their members might join with their friends in the opening exercises. As a result when the time came for the opening service in the new church it was found that the church was full.

Mr. McLaughlin, of the First Baptist church, was the preacher, and "with him on the platform" were Messrs. J. B. White, Rev. G. L. Gordon and P. D. Hollinger. Mr. McLaughlin took for his text the words of the prophet Isaiah: "I have planted, Apollus watered; but God gave the increase." In opening he said the one mistake made in the church was that its people were putting too much dependence on their own resources and not enough on God. "God gave the increase." Fault was taken with the church today, but he did not think there was a church in Alberta without without their work, and condition as was this church at Corral. In the church today there were three classes of people: first, those who thought their own work was sufficient without God's blessing; second, those who thought God's blessing was sufficient without their work; and third, those who feared God would not reward them for their work. Divisions in the church were the worst, especially where so many from different parts of the world, with their different ideas and customs, were brought together. He thought that if all would forget their little differences and be content to do the work which was laid before them, the increase of God, the result would be more beneficial to all concerned. In closing his dedicatory sermon the preacher said: "Just as God takes possession of this church and God people, just that extent will it be a power and will bring radiant from the west."

In the evening he spoke from his passage in Isaiah, but last night he said that the church was a failure, other reason than its own failure. The speaker admitted that the church had not done all it started out to do, but he liked his position to do of the prohibition movement. The prohibition legislation had not made all men sober, but none would deny that it had done a wonderful amount of good and would continue to do so. Just so with the church. It had not made all people Christians, but it was still a tremendous influence for good in any community. Some churches were failures in the true sense of the word, and some reasons for this were: the indifference of its members and managers; the fact that some men get into the church and stay out; the fact that some men get into the church and stay out; the fact that some men get into the church and stay out. As a church is judged by the people who attend it, the church which has the best condition was a detriment to the church. In closing he said the success of the new church would depend on the cooperation of all its members.

On Monday evening the ladies of the church were present in Redcliff hall, after which there was a concert in the church. Both were well attended. The choir sang and the ladies of the church furnished the music for the concert, much to the delight of all present.

When the church was opened last Sunday morning the building committee required \$200 to clear off the total expense in connection with the building and the Monday evening events this amount was reduced to just \$100.00.

It was estimated that the total cost of the new church will start off on the career free of all financial embarrassments.

IS YOUR NAME ON?

Have you made sure your name is on the voters' list for the approaching Dominion election? If not, call at the Review office and give particulars to the innumerator.

In this election all male British subjects of the full age of 21 years who have been one year in the province and three months in this constituency are entitled to vote. Besides these, all who are the wife, mother, daughter or sister of soldiers, and who have the other qualifications as referred to above for the men, are also entitled to have their names placed on the list and to vote.

In case some might be overlooked by the innumerator we would advise all to make this a personal matter, so as not to be disappointed on election day.

A GOOD SUGGESTION.

At one of the prairie fires this week Councillor Lydiatt made a good suggestion to those standing around, when he said he thought it would be a good idea if the town would organize a company of men to burn off the prairie grass in and around town. It should be an easy matter to get one man from each store in the business section and several from each of the plants for this purpose. All that is necessary is organization and a calm day. The suggestion is a good one and one that should be acted upon as soon as possible.

Talking about prairie fires, people should be very careful about burning rubbish now, and parents should take the trouble to warn their children about carelessly lighting matches around the house or on the prairie.

Italy Preparing For an Offensive

Word from the Italian headquarters state that the battle of the Piave river, as it will be known, has now developed to a stage where the enemy's first attempt to make a breach in the lines has failed. The defensive has not only been accomplished by the Italian army, but the time has been secured to effect that recovery from the retreat which will put the army in a position to resume its offensive power as well as its defensive. The enemy was taking full advantage of the delicate period after the retreat, knowing that every day counted for the restoration of the solidarity of the

Italian offensive force. In this knowledge, too, the Italian supreme command is proceeding methodically, giving ground here and there and holding elsewhere, as all this is part of a systematic plan to bring to the army offensive qualities to deal a blow at a chosen moment.

One hears talk in high quarters that if the Piave line holds another few days the tide will be turned, as its successful defence through six fearful days has established that the enemy has its limitations.

Town of Redcliff Financial Statement, as at 31st October, 1917.

Medicine Hat, Alberta,
November 20th, 1917.His Worship the Mayor and Councillors,
The Corporation of the Town of Redcliff,
Redcliff, Alberta.

Gentlemen,

We have examined the Books and Vouchers of the Corporation of the Town of Redcliff, Alberta, for the ten months ended 31st October, 1917, and beg to report that we have received all the information and explanations we have required in the fulfillment of our appointment as Auditors to the Town, and that the Balance Sheet attached hereto and forming part of this Report is, in our opinion, properly drawn up so as to exhibit a true and correct view of the state of the Corporation's affairs as at that date, according to the best of our information, the explanations given to us and as shown by the Books of the Town.

The forms upon which the Financial Statements are displayed have been supplied to us for the purpose by the Department of Municipal Affairs.

We have made frequent examinations of the Treasurer's Cash during the course of the audit and have found the same in good order. There is, however, included amongst the Cash items a dishonored cheque which it appears to be impossible to collect or to apply against any property. We would recommend that his item of \$12.00 be written off.

Included amongst the uncollected Taxes are certain personal property Taxes which so far have proved uncollectible. These items were taken over from the Rural-School District, and in this case also we would suggest that the Secretary Treasurer be empowered to write them off.

In connection with the sundry revenue of the Town we observe that a

license has been taken out for a certain hall at a fee of \$10.00, the by-law, however, calling for \$20.00. The report appears to have arisen through the omission of a license on file at the Town Hall having been incorrectly copied from the By-law. As the fee was both paid and received in good faith we leave any further action as to the license and Dog Tax Revenue to the discretion of the Council.

We would express it as our opinion that the License and Dog Tax Revenue should be furthered by the Police Department. From the nature of their duty the police officers are better able to see that the requirements of the Town By-laws are being complied with than the inside office staff.

Delinquent Disbursements, previously carried as part of the available balance of Debenture Funds, have now been transferred against the funds themselves. The Unexpended Disbursements in the Balance Sheet therefore represent actual capacity for expenditure with the following qualifications, that, in the case of Debentures still unpaid it is expected that there will be a Disbursement upon marketing which will operate as a reduction of the available balance, and also that in the case of the Waterworks available balance a portion of this is held in the form of the Stores to the value of \$41.80.

It would appear to us to be desirable that the Council give consideration to the point that he power to issue certain of the unpaid Debentures is liable to expire in the near future under the provisions of Section 187 of the Town Act. This point, we think, is particularly applicable in the case of Plank sidewalks.

Reported by,
HENDERSON, REID & PATERSON,
Chartered Accountants.

ITEMS OF LOCAL INTEREST

The Red Cross Society shipped another box of goods to headquarters this week.

Mrs. P. H. Wenderburn was the guest of Mrs. J. Lavell for a few days this week.

Mrs. E. Wallis entertained a number of ladies to afternoon tea last Monday in honor of Miss Woodcock.

Mrs. T. Irvine and daughter, Miss Mona, of Bowell, were the guests of Mrs. M. Moffatt for a few days this week.

FOUND—On the street, a gold chain with locket attached. Finder may get same at the Town Hall Office by proving property.

Shoes! Shoes!! Shoes!!! Just arrived! splendid range of men's, women's and children's shoes. Hicks Trading Co.

Mr. Jack, of Lethbridge, is spending a few days visiting his sister, Mrs. Geo. Lemay, of Bowell district. Mrs. Jack, of Owen Sound, is also visiting her daughter.

J. E. Aslewith will sell all his household furniture by public auction, at his home next Saturday afternoon (Nov. 24), commencing at 2 o'clock. See bills for a list of articles to be sold.

Mr. Robt. Everett will address a meeting in Harvest Vale school next Sunday afternoon at 3 o'clock in the interests of Red Cross workers in that district. All interested are especially requested to attend.

Keep in mind the date of the play to be put on in the Empress theatre on Dec. 7th by the Ladies of the Presbyterian church. "The Minister's Bride" is the name of the play, and it will be given by local talent.

The canvassers for the Victory Loan are meeting with good success around town, but so far the response in the surrounding district are not responding as was expected. In town about \$15,000.00 worth of the bonds have already been purchased.

The Alter Society of the Catholic church intend holding a sale of home sewing and stock on Dec. 13th. The sale will be held in Reid's hall and will commence at two in the afternoon. There will also be supper served after the sale.

Word was received here last Saturday that Pte. Ed. Short of Redcliff had been wounded. Short left Redcliff with the 175th, and has been in the firing line for some time. He was married here to Miss Edith Pickett before leaving for overseas, and his wife is still residing in Redcliff.

Secretary Woodbridge has issued the official call to the tenth annual convocation of the United Farmers of Alberta, which will be held in Calgary in January, commencing on the 22nd, and continuing for four days. Full particulars as to the place of meeting, hours, resolutions to be brought before the convention, etc., are contained in the call.

The dance to be held in Reid's hall on the evening of December 4, will be a masquerade. Four prizes will be given by the ladies in charge, and as they will be awarded before unmasking no favoritism can be shown. Costumes can be secured from Mr. Hicks. The dance will begin at nine o'clock. The tickets for the dance will be \$10 a couple, 25c for extra ladies, children or spectators.

ANNOUNCEMENT

Mrs. A. G. Ruggles, Vocal, Piano and Pipe Organ Teacher, will be in town each Wednesday.

Anyone desirous of making arrangements for a course of studies in one or more of these branches will be able to meet Mrs. Ruggles at Mrs. Roy Auger, every Wednesday.

CARD OF THANKS.

Mr. and Mrs. Woodcock and family wish to thank their friends for the many acts of kindness shown them and the many expressions of sympathy since receiving the sad news that their only son and brother was killed in action at the front.

JUDICIAL SALE OF TOWN PROPERTY

Pursuant to the order for sale in the action of the Royal Bank of Canada vs. Gagnelle L. Timmons, there will be offered for sale by Edward L. Chadleigh, at the Court House in the City of Medicine Hat, at 12 o'clock noon, on Friday, the 14th day of December, A.
